CAN LEARN TO
DRAW IN 3-D!

MARK KISTLER'S "DARE TO DRAW IN 3-D!"

ELEMENTARY SCHOOL ASSEMBLY PROGRAMS

Get your students prepared to blast off to the land of imagination with pencil power! For 25 years, Mark Kistler has been teaching kids how to draw in 3-D with this world-famous assembly program. This is an unforgettable, hands-on assembly that encourages students, teachers, and parents to participate. Mark has taught millions of children around the world how to illustrate stories in 3-D ... he can teach your students, too!

A CARTOONIST WITH A GLOBAL MISSION!

Mark deeply believes that learning how to draw in 3 dimensions builds a child's critical thinking skills while nourishing self esteem. His positive messages on self esteem, goal setting, dream questing, environmental awareness, and the power of reading have sparked millions of children around the world to discover their awesome individual potential.
